## GOOD BYE AND GOOD LUCK, CONRAD

In the years since Conrad Butters came to Orchard Place, he will be the first to say that it has been a life changing experience for him. He says that the experience has built his confidence and improved his skills, both manual and emotional. What he doesn't realise is the massive impact his being here has made on staff and clients alike. 'Enthusiastic', 'Helpful', 'Obliging', 'Understanding', 'Cheerful', 'Clever', 'Conscientious'.... Are

just a few of the words used to describe this man who has proved himself a worthy member of staff during his 11 week placement, as well as a friend and confidante to the Clients', with whom he has an obvious empathy.

We all wish him every success for the future, and hope that his new found confidence will help secure him a employment that will make full use of his potential.

# ICE

## IN CASE OF EMERGENCY

If you have a mobile phone, enter your emergency contact number as ICE. This means that if a member of the emergency services needs to contact someone on your behalf, they can easily find the correct number.

## BEST FOOT FORWARD!

Following the success of the Red Nose Day sponsored walk, many people have expressed an interest in doing more walking as part of a Healthy lifestyles campaign. So we will be doing more walking .. around the building to start with, but with the view to tackling the Arrow Valley lake in the future! Anybody who is interested, or if there is anything else you can think of please tell a member of staff, or use the suggestion box,

Just for fun!
